Curriculum Vitae

Name: Mohammed Aliuddin Khan

Address: Department of Economics
The Johns Hopkins University
34th and Charles Streets
Baltimore, Maryland, 21210

Phone: (Office) 410-516-8545 (Home) 410-243-1324

Date of Birth: July 20, 1948

Citizenship: U. S. A.

Marital Status: Married, with two children

Degrees:

B. Sc. (Econ.), 1st Class Honours, London School of Economics, June 1969.
Special Subject: Economics and Econometrics.

M.Phil., Yale University, March 1972.
Oral Fields: Mathematical Economics, Public Finance.

Ph. D., Yale University, June 1973.
Dissertation Committee: Professors D. J. Brown, H. E. Scarf, R. M. Starr.
Dissertation Title: "Large Exchange Economies."

Awards and Honours:

Gonner Prize, 1969. Awarded by The London School of Economics.

Yale University Fellowship, 1969-1973.

Quaid-E-Azam Lecture to The Pakistan Society of Development Economists, Islamabad, May 1985.

Voted excellent teacher in every year (1984-88) taught at The University of Illinois. One of two outstanding graduate instructors of 1986 (Microeconomic Theory ranked first in large class category).

Nominated for the Distinguished Teaching Award at The Johns Hopkins University, 1991, 1992.

National Lecture titled “Perfect Competition and Economic Development,” Pakistan Planning Commission, September 6, 2007.

Selected Invitations:

Invited Panelist at a Colloquium on “The Essential Role of Science in Technological Progress and Economic Development,” held at The Third World Academy of Sciences, Trieste, Italy, May 1992.

Invited Lecture to The Academia Sinica, hosted by the National Science Council, Republic of China, July 1992.

Shaw Lecturer, Chinese University of Hong Kong, Hong Kong, June 1994.

Invited Presentation at the *Social Sciences Research Council* Workshop on “Languages of Development,” held at the University of California, Berkeley, October 1994.

Invited Lecture, Third Conference on Development Economics, Manila, Asian Development Bank, November 1994.

Invited Presentation at the Mellon Seminar on “Equality and Racial Discrimination,” held at the University of North Carolina, January 1996.

Invited Panelist at a Colloquium on “Current and Future Directions in Applied Mathematics,” held at University of Notre Dame, Notre Dame, June 1996.

Invited Panelist at a Colloquium on “Liberty and Christianity in the Thought of Josiah Tucker,” Liberty Fund, held at the University of Illinois, Champaign, October 1996.

Iqbal Lecture to The Pakistan Society of Development Economists, Islamabad, December 1997.

Invited Panelist at a Colloquium on “Freedom and Responsibility in Rhetoric,” Liberty Fund, held in Indianapolis, March 1998.

Eminent Scholars’ Lecture, delivered at the Islamic Development Bank, Jeddah, Saudi Arabia, June 1998.

Invited by the Department of Economics at Brown University to give three lectures on the Economics of the 18th Century, March 10-17, 1999.

Invited Panelist for a Conference on “Liberty and Economic Development” hosted by The Liberty Fund, Indianapolis, October 28-31, 1999.

Minicourse consisting of four lectures on “Negligibility in Economic Theory: Games and Finance”, delivered at CERMSEM, *Université de Paris 1 Panthéon-Sorbonne*, May 16-June 21, 2000.

Three Invited Lectures at the Institute of Public Policy, The George Mason University on the “Economics of the 18th-Century,” July 2000.

Invited presentation at the *Conference on Economic Design* to be held at New York

- University on June 6-9, 2002.
- Invited Lecture at the *Econometric Society's Meetings* in Lahore, December 2002. Title of talk: "Asset Pricing Theory with Large Markets: An Exposition."
- Invited Lecture at the 4th Summer Institute for the Study of History of Economics at George Mason University July 14-18, 2003.
- Invited Lecture at an *American Statistical Association* Panel on Ethics at the Joint Statistical Meetings held on August 3-7, 2003 in San Francisco, California. Title of talk: "On the Ethics of (Economics) Theorizing."
- Keynote Address titled "On an Austrian Model of International Trade: A Re-Reading" presented at a conference on *Recent Advances in International Economics II* held on August 21 and 22, 2003 at *The City University of Hong Kong*.
- Invited Discussant at *Scientific Conference in Honor of Henry Y. Wan Jr.* to be held at Cornell University September 6-7, 2003.
- On a Space for Islam in Economics," invited talk given at a *Round Table on "Islamic Economics: Current State of Knowledge and Development of the Discipline* convened by the *Islamic Research and Training Institute (IRTI)* and the *Arab Planning Institute (API)*, May 26-27, 2004 at Jeddah, Saudi Arabia.
- "Sustainability, Structural Change and the Ethics of Globalization," invited talk at a conference on *Agricultural Competitiveness and Change under Globalization*, held at the "Center for Agriculture and Policy" at *North Dakota State University* on October 11-12, 2004.
- "On Money as a Commodity and on the Trust in Money," invited talk given at the *International Seminar on "Macroeconomics from an Islamic Perspective"* held on September 22-24, 2004 in Kuala Lumpur, Malaysia.
- "Regional (East-West/North-South) Cooperation and Peter Singer's Ethics of Globalization," The Mahbub-ul-Haq Memorial Lecture given at the 20th Annual General Meeting of the *Pakistan Society of Development Economists* held at Islamabad, January 10-12, 2005.
- "The Grand Disillusionment: Hayek and Modern Economic Theory," three invited lectures given at the *George Mason University*, April 11-15, 2005.
- "On Lionel McKenzie's 1957 Intrusion into 20th-Century Demand Theory," Invited paper to be given at the 2005 Hope Conference, Duke University, April 21-23, 2005.
- "Integration of Correspondences and the Dvoretzky-Wald-Wolfowitz Theorem," (co-authors: K. Rath, Y. Sun), paper presented at the SAET Conference on *Current Trends in Economics*, Vigo, Spain, July 2, 2005.
- "Gerard Debreu on the Integration of Correspondences Berkeley," paper presented at the NSF/CME Conference on *Mathematical Economics: The Legacy of Gerard Debreu*,

Berkeley October 20 – October 23, 2005.

“Notes on Growth in the Robinson-Solow-Srinivasan Model: Undiscounted Optimal Policy with a Strictly Concave Welfare Function,” (co-author: T. Mitra), paper presented at the *Conference in honor of Roko Aliprantis* held at Purdue University, October 17-18, 2005.

“Social Capital and Economic Development: Lessons from Pierre Bourdieu,” Distinguished Lecture given at the 21st Annual General Meeting of the *Pakistan Society of Development Economists* held at Islamabad, December 19-21, 2005.

“Optimal Policies with Discounting: Geometry and Computation in the Two-Sector RSS Model,” (co-authors: C. Metcalf, T. Mitra). Paper presented at the *First GE Conference* held in Rio February 8-9, 2006.

Talk at the 7th SAET Conference in Kos, 2007. “On games with incomplete information and the Dvoretzky-Wald-Wolfowitz theorem with countable partitions,” (co-author: Kali Rath).

Talk at the Positivity Conference in Queens University, Belfast, July 2007. “Positivity and General Equilibrium Theory.”

Talk at the Second General Equilibrium Workshop in Rio January, 2008. “Pure Strategy Equilibria in Games with a Continuum of Players and a Multiplicity of Types,” (co-authors: K. Rath, Y. Sun, H. Yu.)

Ph. D Students

Completed Ph.D.’s: Scott Saunders, A. Bandyopadhyay, S. Rashid (Yale), L. Lewis (Yale), Y. Tal, Po-Sheng Lin, T. Datta Chaudhuri, R. Vohra, N. Yannellis (Rochester), Y. Nomura, S. Ishizawa, D. Emmons, T. Hamano, Min Tang, K. Rath, V. Chandra, C. S. Liu, Eshi Motahar, Jane Shieh, Shinji Yamashige, P. Gerson, Saleha Jilani, M. Upadhyay, S. Broca, N. Chau, Muslehuddin, Y. Yakutake, A. Rajan (Mathematics), S. Alpay, Sung Kim, M. Khawar, A. Basu, M. Rauh, Nehme Ayoub (Mathematics), Sanjik Lee, Daniel Hinze, Alain Dhoore, M. Fujio, Zhixiang Zhang, Haifeng Fu (NUS), Haomiao Yu, Maia Linask, James Lake, Metin Uyanik, Liuchun Deng, Jong Jae Lee, Sezer Yasar.

Employment:

Assistant Professor, The Johns Hopkins University, July 1973-June 1977.

Associate Professor, The Johns Hopkins University, July 1977-June 1981.

Professor, The Johns Hopkins University, July 1981-June 1984.

Professor, The University of Illinois, July 1984-June 1988.

Professor, The Johns Hopkins University, July 1988-June 1989.

Abram Hutzler Professor of Political Economy, The Johns Hopkins University, July 1989-

Other Employment:

Management Sciences Division, American Telephone and Telegraph Co., Summer 1970.

Visiting Lecturer, The London School of Economics, January-June 1975.

Visitor, Applied Economics Research Centre, University of Karachi, Summer 1976.

Visiting Associate Professor, Northwestern University, January-July, 1978.

Visiting Senior Fellow (United Nations TOKTEN Program), Pakistan Institute of Development Economics, May-June 1981.

Visiting Professor, Cornell University, July 1983-July 1984

Visiting Fellow, Aacdaemia Sinica, Summer 1989.

Visiting Professor, Bilkent University (Turkey), May 1991.

TOKTEN (United Nations) Fellow, Pakistan Institute of Development Economics, January 1991.

Consulting Professor, Bilkent University (Turkey), 1991 – 1993.

Research Fellow, International Monetary Fund, June 1995.

Visitor, CORE, Louvain, Belgium, November 1996.

Visiting Fellow, The Australian National University, July-August 1998.

Distinguished Fellow, Department of Mathematics, The National University of Singapore, Singapore, January 1-31, 1999.

Professeur Invité, CERMSEM, *Université de Paris 1 Panthéon-Sorbonne*, May-June 2000.

Visiting Research Fellow, Universidad de Vigo, August 2007.

Visitor, *Centro Modelamiento Matematico (CMM)* at the Universidad de Chile. December 2005, December 2006.

Visitor, *Center for Analytic Economics* at Cornell University, July 2004, July 2005.

Goh Keng Swee Visiting Professor, Department of Economics, The National University of Singapore, July 1 to December 30, 2008.

Work for the World Bank:

“A Proposal for Linking the W.F.S. and H.I.E.S. Data Sets for the Study of Fertility in Malaysia,” a paper written for the Population and Human Resource Division of the World Bank, December 1977.

Consultant to the World Bank Mission to Jordan, Summer 1978. Prepared a paper on “Shadow Prices in Jordan,” September 1978.

“A Proposal for Analysis Determinants of Fertility and Age at Marriage in Kerala-Karnataka.” A paper written for the Population and Human Resource Division of the World Bank, August 1979.

“The Determinants of Desired Fertility, Desired Education, Labor Force Participation and Completed Family Size: A Proposal for the Analysis of the Egyptian Fertility Survey,” July 1983.

“Son Preference and the Demand for Additional Children in Egypt,” (co-authors: S. Cochrane and I. Taha), December 1985.

Panel Member for the review of research proposals submitted to the “Development Marketplace”, World Bank, February 8 and 9, 2000.

Work for the International Food Policy Research Institute:

USAID Evaluator for the HRD Component of the Pakistan Project.

“Comment and Queries on the Pakistan Project,” mimeo, IFPRI, December 1992, 25 pages.

“Raven’s Tests as a Measure of Innate Ability: A Plea for Reconsideration,” (co-authors: S. J. Malik, S. Broca, M. Gill), July 1993

“Son Preference, Interspousal Communication and Fatalistic Attitudes in Desired Fertility in Pakistan,” (co-author: S. J. Malik), July 1993

“Education, Income and Nutrition: An Exploration of Pakistani Data,” (co-author: S. J. Malik), July 1994.

Other Professional Activities:

Reviews for the Zentralblatt fur Mathematik and for Mathematical Reviews.

Co-editor of Vol. 2 of Research in Human Capital and Development, JAI Press, Westport, 1980.

Editorial Board: Pakistan Development Review, Journal of Mathematical Economics, Economic Theory (1990-92), Pacific Economic Review, Japanese Economic Review, Review of development economics, Journal of Economic Integration, Journal of Public Economic Theory, International Journal of Economic Theory.

Refereeing for NSF, AER, Econometrica, Economica, REStud., JET, IER, Pop. Devl. Rev., Pak. Dev. Rev., Can. Journ. of Econ., JIE, JME, EDCC, Math. Op. Res., J. App. Th., Jour. Math. Anal. App., JDE, European J. Pol Econ., J. Opt. and Appl.

Member of a panel appointed by the Editor of the *Journal of Economic Theory*, May

1992, to handle a case of alleged plagiarism.

Research Support: N.S.F. Grant No. 8410229 to Brown University. Support for the month of August in 1984 and 1985. N.S.F. Grant No. 8605630 to University of Illinois. Support for two summer months in 1986 and 1987. B.E.B.R. Grant for 1 month in 1986.

Member of the Committee, *Program on Comparative International Development*, (Professor A. Portes, Director).

Member, Organizing Board, Indian Meetings of the Econometric Society, 1992 Winter, 1996.

At The University of Illinois: Promotion Committee (1984-88; Chairman 1985), Research Committee (1984-87).

At The Johns Hopkins University: University Budget Committee (1991-94), The Johns Hopkins University Press (1991-94), Academic Council (1991-1996), (2002-2007).

Organizer, Colloquium on *On Rules and Rule Making*, held at Hopkins in February 1994. Supported, in part, by the Provost's Office.

Organizer, Colloquium on *Ethics in Organizations and Markets: A Comparative Perspective*. March 26, 2004.

Member, Organizing Committee, Workshop on Geometry, Topology and Markets, 1994, The Fields Institute for Research in Mathematical Sciences.

Member of the Advisory Committee, *Global Studies Institute*, Anthropology Department (Professor Rolph Trouillot, Director). Interview in *Crosscurrents*, 1994.

Member of the Advisory Committee, *Louis Marin Institute*, French Department (Professors M. Detienne and S. Nichols, Directors), 1993-94.

Research Evaluation Panel: 8th SANEI Annual Conference, Kathmandu, Nepal, August 31-September 1, 2007.
